

WORKSHOP ON “CAREER PROSPECTS IN MATHEMATICS”

Organized by

Department of Mathematics, Debraj Roy College

in collaboration with

Information and Career Guidance Cell and IQAC, Debraj Roy College

Date: 23rd March, 2018

A workshop was organized by the Department of Mathematics on the topic “Career Prospects in Mathematics” on 23rd march, 2018 in collaboration with Information and Career Guidance Cell and IQAC, Debraj Roy College. Dr. Hemanta Kumar Sarmah, Professor, Gauhati University was invited as the resource person to deliver the talk on the aforementioned topic. Dr. Putul Ch. Saikia, Principal, Debraj Roy College was also present in the workshop as the Guest of Honour. About 50 students from the department participated in the event.

The talk comprised of two parts. In the first part of his talk, entitled “Career with Mathematics - Part I” the speaker focused mainly on the academic paths one can follow after B.Sc. He talked about how to pursue M.Sc., Ph.D. etc. in institutions like IISER’s, IIT’s and NIT’s after the completion of B.Sc. and how to succeed in various competitive examinations like JAM, NET, SLET etc.

In the second part, entitled “Different Careers - Part II”, the speaker included career perspectives for those who are interested in jobs right after B.Sc. He talked about various job opportunities in that aspect like SSC, bank jobs, CA, financial analyst, statisticians, data analysts, etc.

The talk was very informative and enlightening, and the students are believed to have benefitted a lot from the event.

The talk was followed by an interactive session of the students and the speaker, wherein the speaker replied to the queries put forward by the students. Finally, Mr. Pranjal Borah, Assistant Professor, Department of Mathematics delivered the vote of thanks to mark the closure of the event.
